

NAME & TITLE:

Barry Felstead
—Workshop Volunteer

MY FAVOURITE THING ABOUT ST BRIDE FOUNDATION IS:

Seeing the blokes in the workshop and the others who work at St Bride.

WERE I A TYPEFACE, THE TYPEFACE I WOULD BE WOULD BE:

Menhart. I was able to do a poster/article which subsequently appeared in *Matrix*.

ONE OF MY FAVOURITE ITEMS FROM THE ST BRIDE LIBRARY COLLECTIONS IS:

I haven't used the library recently. I think I'm still suffering PTSD from having my hands inspected every time I was sent there as an apprentice by my Overseer.

MY SIMPLE PLEASURES DURING LOCKDOWN INVOLVE:

Walking in Kent after re-finding a few of the walks I did with my dogs.

WHEN LOCKDOWN IS LIFTED, MY PERFECT DAY WILL BE:

Seeing a live performance on a Sunday at Ronnie Scott's, then enjoying a meal, followed by a walk on the South Bank and maybe a pint.
